PLANNING

There was one planning application for councillors to consider.

RESOLVED: That Chale Parish Council raises no objections to application number 20/01756/LBC in that this is a small conservatory at the back of building away from the road that will have no impact on the listed building next door. The council raises concerns to the clear roof of the conservatory which conflicts with the Dark Skies policy for Chale, but understands that the property is used for summer let only and so should not cause a lot of light pollution, and that the applicant would consider installing blinds if required.

The Chairman closed the meeting at 7.06pm
